Dear Mr.Kushagra Nayan Bajaj,

On behalf of EBA I want to thank you for attending the Achievements Forum 2016 in London on 22 March 2016.

Hope you enjoyed the function and had a pleasant trip home. First of all let me congratulate your company for receiving one of our prestigious international awards and we are delighted you have become a member of the EBA international community.

Your personal participation has enriched the ceremony's programme and widened its international frontier. I hope the London event was interesting and fruitful for you.

Could you inform if you have any suggestions or complaints? We would be grateful to receive any feedback you may have.

Furthermore, we would be happy to see you again at our upcoming events- Prime Business Destinations Forum (29-30 June, Bad-Ems, Germany,) and the European Awards Night (7 October, Cannes, France). Please let us know if you are interested in attending any of these events.

As the EBA award winner, you have the priority right for publishing a 'Socrates Almanac' special edition (limited number of special editions, no more than 20 per year). The 'Socrates Almanac' gives you the opportunity to establish yourself or your company in a more detailed manner, and allows that information to be permanently preserved and available to a large number of readers and subscribers. The edition will be presented at EBA events and on the EBA web-site. It will also be placed in leading scientific libraries of Great Britain. All special editions and monographs receive an English registration number. If you require any more information please do not hesitate to let me know.

The Europe Business Assembly offers you a specially designed package of additional promotional services in order to broaden your markets and find new customers and partners among the EBA community.

Finally we would like to wish you business and personal successes, as well as health and prosperity to you, your family and colleagues. I look forward to hearing from you soon.

John Netting
